To Whom It May Concern:

As a worship pastor and as the pastor to Agnes Spurlock, I would like to offer my affirmation and endorsement for Agnes' participation in your special event. I met Agnes several years ago in church and was excited about her many God given gifts. I am partnered in ministry with Agnes at MCC and am even more impressed with her future potential to share her knowledge and gifts with others as a speaker.

Agnes seeks to glorify God through her life experiences. She will share lessons she has learned. In her own words *"Living a life of balance is more than just managing your time well. Enjoying and living a life in balance requires finding the right blend in your physical, mental, emotional and spiritual life. In this presentation you will discover how to recognize and reduce stress; how to separate urgent and important tasks and to establish a simple plan to manage your life more effectively."*

Agnes has been learning to put all the pieces in the right places. I look forward to hearing how she will be used of God to build His kingdom in helping people evaluate and grow in significant areas of their lives!

She is a valuable asset to our church and personally, to my family. She and her family are marked with a spirit of excellence, commitment, and integrity. Our church continues to benefit greatly from her ministry and spirit of serving. As a Pastor of a congregation with many different levels of spiritual maturity, I find her ministry to be received and easily understood by both young and old.

I highly recommend her as a guest speaker for your congregation, event, dinner, assembly, camp, or conference. If I can be of any further assistance please don't hesitate to call my office.

Sincerely in Christ,
