To Whom It May Concern:

This letter is written as a recommendation on behalf of Ms. Connie Ryan, one of our members and worship leaders at Christian Life Center.

Without exception, Ms. Ryan is a woman of integrity, grace, spiritual fruit and power. She has worked together with our leadership at CLC for over one year now, and I have marveled at her effectiveness and passion to minister to others. I have given her my backing and blessing to launch out in ministry and do everything God has called her to do. If ever there was a person God called to minister to others, I believe it is Connie.

Her God-given gifts and love for body of Christ will serve her well as she continues to fulfill her destiny of service to God. The servant-leadership that she has shown me and our staff over this past year speaks volumes about the quality of individual she is today. It is my privilege to recommend Ms. Connie Ryan to your ministry team.

Sincerely,

Pastor Randy D. Rice
