To Whom It May Concern:

Sadell Bradley is a faithful member of Solid Rock Church. She has completed our membership classes and has been active in our Intercessory Prayer Meetings.

She has volunteered her time to help on several church projects. She has also yielded her gift in music to sing on different occasions in our main services.

I have personally gained insight and wisdom from her newsletter 20 days of trust.

Sadell would be an asset to any company, society, or organization.

Sincerely,

Gary L. Chapman
Minister of Pastoral Care
Solid Rock Church
